About Us

We at " **SHREE SHIV ELECTRICAL** " believe,

"A good product and reliable services bring high profitability"

Vision at Establishment

"To supply outstanding service and solutions through dedication and excellence, since last 7 Years "Also, we are taking EPC Project along with cabling with complete installation and factory setup.

Since, last 3 Years we had started Panel manufacturing setup for LT panel including ACDB, DCDB, PLC, SCADA, CONTROLDESK, APFC, DG PANEL, VFD (ABB, CG, DELTA, SIEMENS VFD) Panel. Also, we are working as consultant for **HT Panel (ABB/SIEMENS), RMU, PCVCB, CRP PANEL Installation & its complete setup.**

SHREE SHIV ELECTRICAL is the technology service company that provides the services for numerical relays & electrical switchgears like SIEMENS, ABB, Schneider, GE make etc. and provides the solution for relay networking. The founders are modern day testing and solution providing Consultants with over a 7 years' experience in the field Of Testing, commissioning, trouble shooting in SIEMENS, ABB, Schneider and also training In SIEMENS and Rerolled products.

Services

Relay Services

SIEMENS/ABB/SEL/ALSTOM/SCHINEDER/EE/AREVA makes relay testing and commissioning

- A. Over current & Earth fault Protection
- B. Differential protection
- C. Distance Protection
- D. Generator Protection

Retrofit Solution

- A. We do retrofit of all Old electromechanical relay with new numerical technology based Advanced relays.
- B. We do retrofit of all old MOCB / VCB breakers with new VCB/SF6 Breaker

Breaker Services

for SIEMENS/ABB/SEL/ALSTOM/SCHINEDER/EE/AREVA make

- A. Servicing
- B. Timing
- C. HV Test
- D. CRM

Transformer All Type of Services

- A. Stability Test
- B. Ratio Test
- C. Winding resistance test
- D. Vector Group Test
- E. REF Stability
- F. Oil Filtration

Services

CT Testing Services

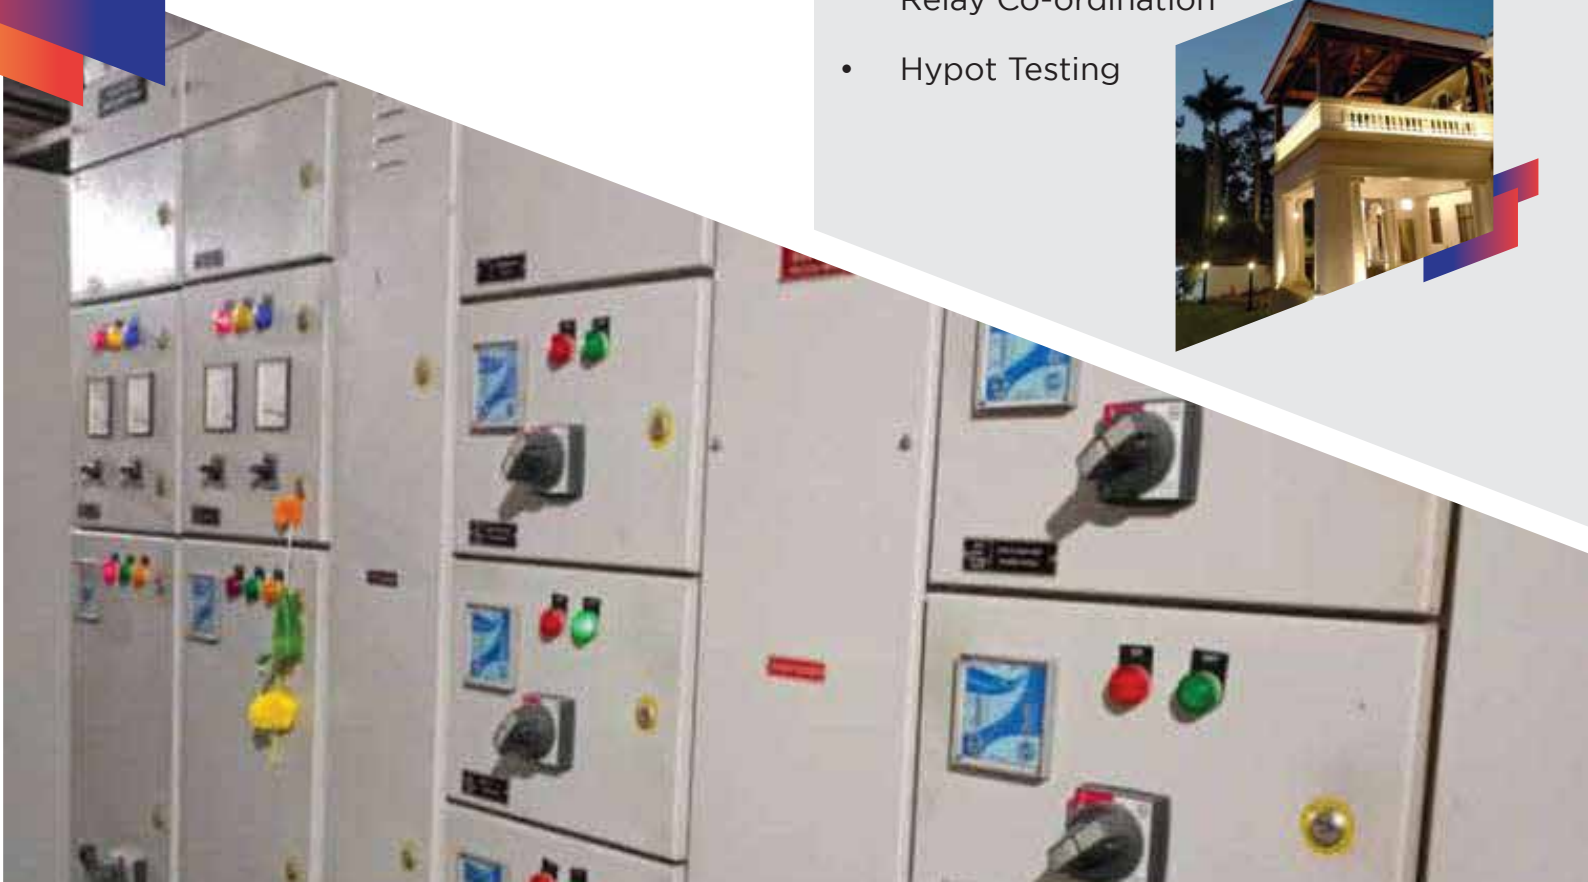

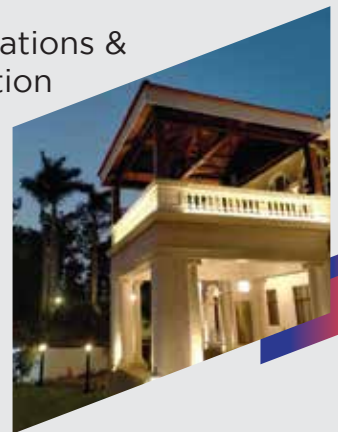

- A. Polarity Test
- B. Loop Resistance Test
- C. Burden Test
- D. Magnetization Curve Test
- E. Turns ratio Tests
- F. Primary Injection Test

PT Testing Services

- A. Insulation Resistance Test
- B. Polarity Test
- C. Transformer Turns Ratio Test

- Annual Testing/ AMC of all electromechanical relays & Numerical Relays & Switchgear.
- AMC For HT, LT Panel, Switchyard, Transformer, Automated Machine etc.
- Lighting for Residential, Commercial and Industrial Application
- Fault level calculations & Relay Co-ordination
- Hypot Testing

Achievements

1. ISO Certified (UKAS 9001:2015,NABCB)
 2. UDYAM Certificate (MSME Certificate)
 3. MES Certificate
 4. NSIC Certificate
 5. MCGM Class A Certificate
 6. Authorized Supplier of Helipole
-

Our Major Clients

1. Reliance Pvt Ltd
2. D.P World
3. Bombay Dyeing
4. Reliance Good & Services
5. Ball AMEA
6. MES
7. BMMC
8. CIDCO
9. Tata Power Ltd
10. Linde India Ltd
11. Sterling & Wilson
12. Trident hotel
13. HPCL
14. BPCL

Numerical Relays & Automation Product

All Type relays make, Numerical Relays, we supply following products at discounted rate

Numerical Relays Series

1. Over Current, Earth Fault, Motor Protection, Syn Check Relay
2. Distance Protection
3. Differential Protection
4. Generator Protection
5. Bus Bar Protection
6. Cable Differential Protection
7. Motor Protection

All make Breaker
Spares and
Switchgear Spares

Supply all type/Size of
Power and Control cable
of Polycab, RR Cables, KEC

All types of Light fittings,
Electrical Accessories material
supply, installation, testing and
commissioning.

Lighting fixtures, Fans,
Cables, switches,
sockets etc., supply of all
the materials.

Termination Kit for 1 & 3
Core Power Cables Elbow
Connectors for IEC and
Nema Circuit breaker and
disconnections.

Company Details

Sr.No.	Description	Details
1	Company Name	Shree Shiv Electrical
2	Type	Proprietorship
3	Business Address	Shop No.2, Ground Floor, Audumbar Chaya Chsl, Opp Mazgaon Dock Main Gate, Mazgaon, Mumbai-10.
4	E mail ID of Beneficiary	krantikoyalkar13@gmail.com
5	Our GSTIN NO	27CORPK3227A1Z2
6	Constitution of Business	Proprietorship
7	Scope of work	<p>Job Description</p> <p>Supply, Installation Testing and Commissioning of HT/LT Switch Board, and Switchyard Breakers, Panels, Cables, Isolator Indoor and Outdoor type, Transformer Oil Filtration and All Type Transformer Testing, Cable/Bus bar HV Test, All type Cable work Low voltage /Medium voltage and HI voltage up to 220kv switch yard and switch board All Type Electrical & Testing work.</p> <p>Supply, Installation, Testing and commissioning of all types of electrical Lighting fixtures for residential and commercial.</p> <p>Complete point wiring connections.</p>
8	Customer / Client / Job Location Name	<p>1)HPCL Ltd 2) BPCL Ltd. 3) MPPL 4) IOCL Ltd 5)BEST 6) Reliance 7) BMC 8) TMC 9) CPWD 10) TATA 11) Railway 12) MTNL Ltd. 13) BARC 14) India Oil Ltd 15) IOCL 16) All Type Bank 17) MSEB 18) Club House</p> <p>All Type Private. and Limited Company all India</p>
9	Testing Instrument Details	<p>1) All Type Transformer Testing kit 2) High Voltage kit Sr.no.SA/SE/122K8-7HVD 3) Relay Testing kit sr.no. SKE0109/2 4) CT/PT Test kit sr.no.8080186 5) All Type Electrical Testing kit</p>
10	Shree Shiv Electrical Sub Contractors Details	<p>1) OM ELECTRIC SERVICES - Mr.Mahatre 2) M/s.Krishna Electrical- Mr.Yogesh.Y 3) Other Depend on job</p>

List of Testing Equipment

Sr. No.	Description	Make	Quantity
1	1 Phase relay test kit	SKE	1
1	3 Phase Convantional relay test kit	SKE	1
1	1 Phase HV Kit	SKE	1
1	Breaker CRM Kit	Prestige Electronics	1
1	Breaker Timing Kit	Om Techno Services	1

Address

Shop No.2, Ground Floor,
